

# Ivy Bridge College

OF TIFFIN UNIVERSITY

Online. On Target. On Your Way.

## **Experience Online Convenience. Enjoy On-Campus Resources**

Ivy Bridge College is part of Tiffin University, an independent, coeducational institution that has been educating students since 1888, and is recognized nationally for its accredited on-campus and online courses. Ivy Bridge courses are taught by Tiffin University faculty and are dynamic and discussion-oriented, allowing you to collaborate, debate, and interact within an online community. You'll have access to faculty via e-mail, newsgroups, and live chat, as well as through weekly online office hours. And, while you're at Ivy Bridge, you'll develop an online network of classmates and friends from all over the United States and beyond.

## **Earn A Valuable Degree That Can Take You Anywhere**

As an Ivy Bridge student, you will earn a Tiffin University degree, which is authorized by the Ohio Board of Regents and accredited by the North Central Association (NCA) and by the Association of Collegiate Business Schools and Programs (ACBSP). Since Tiffin University is regional accredited, the courses you take will transfer just about anywhere. That means you'll be able to pursue your four-year degree at the institution of your choice. Select a college near your home or across the nation. Enroll in Tiffin University's four-year degree program or choose from dozens of colleges and universities that have transfer agreements in place with Ivy Bridge.

## **Onward and Upward**

Ivy Bridge College offers a variety of online associate's degree programs – each with a wide range of general education courses. Ivy Bridge offers degree concentrations in Accounting, Business, Computer & Information Technology, Law Enforcement and General Studies. No matter which program you choose, you'll get the academic preparation you need to transfer to the four-year college or university of your choice. If you decide not to go on to complete a bachelor's degree, your Ivy Bridge degree alone can provide you with a solid foundation for a rewarding future.

## **A Success Coach from Day One**

Before you even start your classes, you'll have your own success coach assigned to you. Your coach will take the time to get to know you—your aspirations, your strengths, your challenges – to help ensure your success from day one. Throughout your Ivy Bridge experience, your coach will contact you regularly through scheduled phone calls, e-mail, and text messaging. Your coach will help you adjust to college life, offer you input on what courses to take, help you register for classes, discuss your assignments and concerns, and help you chart a course for your future.

## **Education On Your Schedule**

Our online courses are available 24 hours a day. Since you don't have to be online at any certain time of the day or week, you have the power to set your own schedule. And depending on the pace you choose, you can graduate with your associate's degree in as few as 20 months.
