

# BERKELEY COLLEGE

Established in 1931, Berkeley College is a coeducational college specializing in undergraduate Bachelor's and Associate's degree programs that prepare students for success in the business world. With seven locations in New York and New Jersey, plus Berkeley College Online™, Berkeley is widely recognized for its academic excellence and its career preparation. In addition to a solid education, each student also benefits from a thorough career development program consisting of a corporate internship experience, career services support, and effective placement assistance.

Only Berkeley College offers ALL of the following benefits. We call them The Berkeley Advantage®:

- On-the-job internships as part of the curriculum
- A Bachelor's degree in as little as three years or an Associate's degree in just 18 months
- Online degrees: Bachelor's and Associate's, both part-time and full-time
- Flexible scheduling: day, evening/weekend, and online classes
- More than \$17 million each year in Berkeley College grants and scholarships for qualified students
- A tuition freeze for students who maintain continuous, full-time enrollment
- Small classes for more personal attention
- A faculty selected for both academic credentials and professional experience
- An extensive network of employer connections
- More than 20 Career Services professionals who collectively specialize in each field of study and actively pursue job opportunities for each student
- Free lifetime career assistance
- Seven convenient locations in the New York metropolitan area

As a true measure of its success, Berkeley College consistently achieves an annual graduate employment rate in excess of 90%.

## LOCATIONS

### NEW YORK

#### **New York City Campus**

The New York City campus, found in the heart of midtown Manhattan next to Grand Central Station, is ideal for students who want to take advantage of the total metropolitan experience. It is the home of Berkeley's International Division, attracting students from diverse, multicultural backgrounds from all around the world.

#### **Lower Manhattan Extension Center**

The Lower Manhattan Extension Center is approximately four miles from Berkeley's midtown campus. Easily accessible by public transportation from the five boroughs, the Center is within walking distance of New York's dynamic Financial District, allowing students to take advantage of invaluable internship opportunities.

#### **Westchester Campus**

Berkeley's Westchester campus is located in White Plains within easy walking distance of the train and bus terminals. This campus parallels the College's midtown Manhattan campus and offers those who live in Westchester and those who work in New York City exceptional flexibility and convenience. The Westchester campus also features a student residence adjacent to the College.

# BERKELEY COLLEGE

## NEW JERSEY

### **Bergen Campus**

The Bergen campus is located in northern New Jersey in Paramus, the shopping capital of the state. Accessible from major New Jersey highways, it is near Route 17 and is within walking distance of public transportation.

### **Garret Mountain Campus**

The Garret Mountain campus offers all the amenities of college life. Located on 25 acres of wooded countryside and situated atop Garret Mountain in the suburban West Paterson-Little Falls region, students enjoy the complete college experience with diverse student activities, residence halls, student center, full-service cafeteria, and the friendliness and warmth of the Berkeley community.

### **Middlesex Campus**

Middlesex, the central New Jersey campus of Berkeley, is located in downtown Woodbridge less than one block from the North Jersey Coast Line train station.

### **Newark Campus**

The completely renovated Newark campus of Berkeley College offers a secure and comfortable learning environment. State-of-the-art classrooms, labs, library, student lounge and administrative offices are located in the building. High speed wireless Internet access via Berkeley's own wi-fi network, computers, printers, data video projectors and scanners are available to students, faculty and staff.

## ONLINE

### **Berkeley College Online™**

Through the power of the Internet, Berkeley College brings the classroom online to students with the same high standards as on-site classes.

Online students enjoy the same proven curriculum, faculty support, and ultimate job placement that are available with Berkeley's on-site, campus programs. Students learn more in small, stimulating classes from faculty members with successful records in business and proven teaching credentials. Online students also have access to a Career Services Department that has the expertise to place them in jobs.

Student can log on to Berkeley College Online™ anytime/anywhere—and earn a Bachelor's degree in as little as 3 years or an Associate's degree in 18 months.
